EXAM TIMETABLE

If you have a 2 hour exam at 09:00 and have to answer 2 equally weighted questions, you may look to plan your 'exam timetable' something like this:

START	FINISH	PLAN
09:00	09:10	Read through all the questions and decide which ones to answer
09:10	09:25	Plan answer to Q1 + Q2
09:25	10:05	Write answer to Q1
10:05	10:45	Write answer to Q2
10:45	10:55	Check answer to Q1 + Q2
10:55	11:00	Final check
